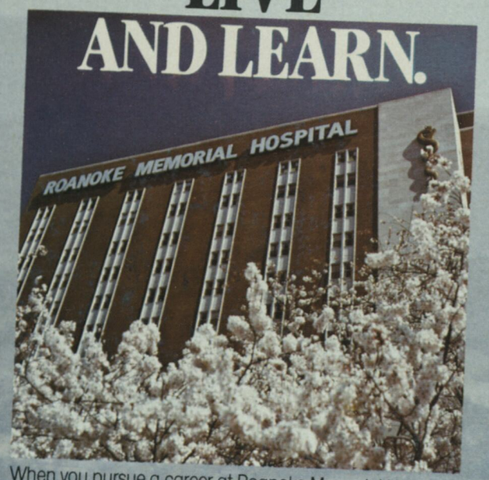
LIVE AND LEARN.



When you pursue a career at Roanoke Memorial Hospitals, you'll find a very special combination. A place that's wonderful to live in. And ideal to learn in.

We're right in the heart of the Blue Ridge Mountains, where all the pleasures of the country come together with the action of a growing city. You can live most any way you like--in beautiful parts of town or in the surrounding countryside. And enjoy having Smith Mountain Lake, the Appalachian Trail, and the Jefferson National Forest all close by.

And while you're living well you can be learning at the largest medical center in Southwest Virginia. Where with the finest advanced facilities and the help of the best professionals you can grow quickly in the career of your choice.

For specialized training you can attend one of our six professional schools. Or you can begin your career right away in any number of staff positions.

From clinical to clerical jobs, we have all kinds of career possibilities for you. Learn how you can pursue your special interests at Roanoke Memorial Hospitals.

And live the way you like with the rewarding opportunities we provide.

ROANOKE MEMORIAL HOSPITALS

For information about a career at Roanoke Memorial Hospitals, please contact: Director of Personnel, Roanoke Memorial Hospitals, Belleview at Jefferson, P.O. Box 13367, Roanoke, Virginia 24033 (703) 981-7134.

Welcome to

Hampden-Sydney College in Virginia

A Tradition of Excellence Since 1776

Dear Tiger Fans,

Welcome to Death Valley!

The tradition of vigorous manly sport — to use an Edwardian formulation — is one of our most venerable and proudest. At Hampden-Sydney, however, the young men who play intercollegiate football must be (1) intelligent and (2) amateurs — those who play because they love the game, not because it brings them athletic scholarships or (with rare exceptions) public glory.

Yet neither restriction seems to hurt the quality of play, nor erode our spectators' pleasure in the game and its attendant rituals. On the contrary. The College has a strong tradition of successful football, and the autumn *ambience* of a Hampden-Sydney football Saturday is matchless.

It's great to have you with us.

Sincerely,

Josiah Bunting III

Meet the Tiger Coaches

Head Coach

STOKELEY FULTON

Entering his 21st season as Hampden-Sydney's Head Coach, Stokeley Fulton has compiled an impressive record of 120 wins, 75 losses, and three ties. His career has undeniably been a distinguished one, with many winning seasons and honors to his credit.

After graduating from Hampden-Sydney in 1955, the Danville, Virginia native left behind an impressive list of accomplishments which included being Student Body President, a member of Omicron Delta Kappa honorary fraternity and the honor of being the offensive center on the 1954 Little All-American team. Upon returning to H-SC in 1957, Fulton served for three years as an assistant coach before becoming Head Football Coach in 1960.

In football, Fulton's success as a coach is reflected in the accomplishments of his ballclubs. Looking back, the record reveals six conference championships, and three bowl appearances for the Tigers. On a personal level, his 120 career wins place him tenth among active NCAA Division III coaches.

Defensive Coordinator

LOU WACKER

Now in his nineteenth year as a Coach at Hampden-Sydney, Lou Wacker is known for producing defensive teams whose trademarks are tough, aggressive play and low point allowances. As a collegian at the University of Richmond, Lou enjoyed a fine career as a two way starter. After he graduated, Wacker continued on to the professional ranks with the Detroit Lions of the N.F.L. and the C.F.L.'s Calgary Stampeders.

Before joining the Hampden-Sydney staff, Lou coached championship-winning teams at two Richmond-area high schools — Midlothian and Colonial Heights. In the past eleven seasons, the defensive teams coached by Wacker have been among the nation's finest in NCAA Division III by allowing an average of less than ten points per contest.

In addition to his outstanding work with the Tiger defense, Coach Wacker has contributed heavily to the success of H-SC special teams. After football season ends, he capably handles Hampden-Sydney's wrestling program.

Offensive Backs and Receivers

BILL GLENNON

A graduate of Springfield College in Massachusetts, Bill Glennon will handle the offensive backs and receivers for Hampden-Sydney. Prior to coming to H-SC, he coached high school football in Massachusetts and, most recently, spent a year as receiver coach at Albany State in New York.

Judging from his energy and dedication on and off the field, Bill should make a tremendous contribution to the Tiger squad particularly the passing game, this fall.

Defensive Backs

BERNIE MENAPACE

Coming off a distinguished collegiate career at the University of North Carolina, Bernie Menapace joins the Tiger staff as a defensive backfield coach. A two-year starter at safety for UNC, where he served as defensive captain during his senior year, Menapace was a central figure on a talented Tar Heel Squad.

Already a favorite with the players, Bernie's expertise and football savvy will provide the H-SC defenders with helpful and skillful instruction.

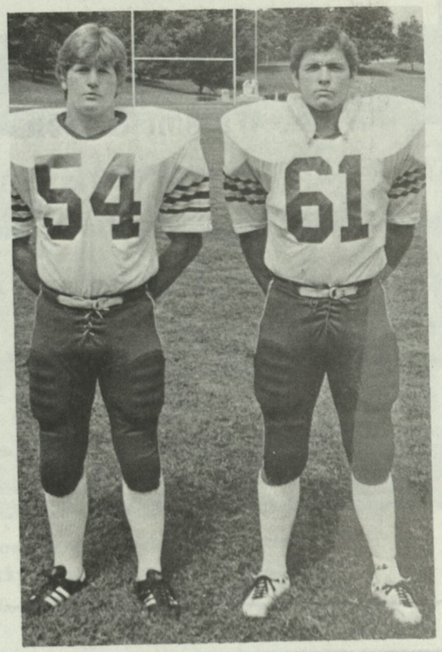
1980 Tiger Co-Captains



54

PAUL EMERICK — Center — 5-11, 200 — Triangle, Va.

In his first season as a starter, Paul demonstrated his ability by being selected to the All-ODAC team at center. This fall, he will serve as a Tiger co-captain along with linebacker Jim Thompson. An indication of the quality of Emerick's play is that he was not assessed a single penalty last season. An excellent blocker who works very hard to improve during the winter, Paul leads his teammates by example on and off the field. He is one of the keys to a successful Tiger offense in 1980.

61

JIM THOMPSON — Linebacker — 6-0, 205 — Richmond, Va.

One of the mainstays of the Tiger defense, look for Jim Thompson to have another outstanding season in 1980. A three-year starter at linebacker and co-captain, he has all the tools, including good speed and strength, necessary to excel at this position. Despite the fact that Thompson has played all three linebacker spots in his college career, the odds are that he will be used mostly in the middle this season. His tough, steady play against both the run and the pass makes him difficult to fool. A smart ballplayer who is a very strong tackler, Jim can be counted on to come up with the big plays on defense; definite contender for All-ODAC honors.

200th Game — Milestone For Fulton

When Hampden-Sydney takes the field this Saturday against Salisbury State in Hundley Stadium, the game will be a major milestone for Tiger Football Coach Stokeley Fulton.

The contest will be Fulton's 200th as a head coach at Hampden-Sydney. Presently in his 21st season, Fulton has rolled up an impressive record of 121 wins, 75 losses, and 3 ties. Those 121 wins place him tenth among active NCAA Division III coaches in career victories.

Coach Fulton's career at Hampden-Sydney has undeniably been an impressive one. Among his accomplishments are six conference titles, three post-season bowl appearances (Knute Rockne Bowl in 1970-71, and an NCAA Division III Playoff Game in 1977). In addition to this he has coached 20 All-Americans, including Honorable Mention Selections.

In his career as a coach, Fulton has seen many changes in the game of college football. As far as Hampden-Sydney is concerned, he feels that the biggest difference is in the number of players on the team.

"The biggest change for Hampden-Sydney is numbers. Back in the 1960's, we'd have 40 to 50 boys out for the team. In the seventies, we've doubled the number of participants."

Fulton also feels that the nature of the game has changed significantly, with football becoming more technical and specialized.

"I played in the two-way period of football. Now, the game has become more complex and sophisticated with time. The offenses are more complex, the defenses are more involved, and the individuals playing the game have more specialized talents. Most of them play just one position. All phases of the game have improved in the 21 years that I've been a head coach. Beyond this, the boys themselves are better prepared to play when they get here."

Another factor which has proved to be very influential, in Coach Fulton's opinion, is the recently-imposed NCAA 30 scholarship rule.

"Since the 30 scholarship rule has hit the Division I schools, it effects us too. Now, there are more players around for everybody to choose from."

Recently, much debate has been centered on the use of the helmet as a weapon in blocking. Fulton has a slightly different perspective on this problem.

"In my opinion, the facemask, not the hard helmet, is the single biggest piece of equipment to change the game. The sturdy, elaborate facemasks eliminate the fear of the tacklers when they go after someone. Personally, I never played with the facemask, but all of the teams I've coached have worn them."

What about solving the problem of head and neck injuries?

"Fortunately, the rules have become more strict concerning the illegal use of the head in tackling." Fulton commented. "I think that this is the best, and most certain way of improving the situation."

Always known for his great knowledge of the game of football, Coach Fulton represents the type of coach whose expertise extends beyond the sidelines and the practice field. The record speaks for itself, but his perceptions and observations concerning the evolution of football tell the real story.

Great football coaches, like many of the special things in life, stand the test of time. Ultimately, the knack of being a success as a coach over the years is an appreciation of the present, coupled with an awareness of how the future can be used for improvement. In this case, the Tigers are fortunate to have a skilled and perceptive coach like Stokeley Fulton to call their own.

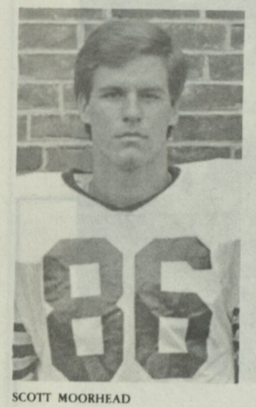
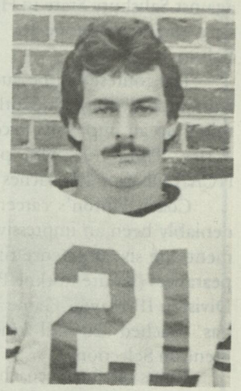
"Meet the Tigers"



SCOTT MOORHEAD

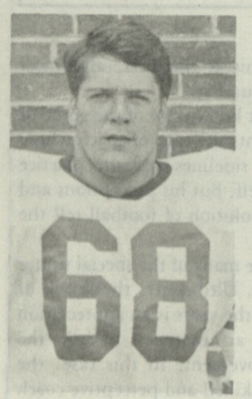
SCOTT MOORHEAD — Split End
6'2", 190, Lexington, Va.
Scott was the Tigers' best offensive player in 1979 when he caught 54 passes for 686 yards and 4 TD's. His performances were good enough to put him on the All-Virginia and All-ODAC football teams last year. Moorhead needs just 28 receptions to break H-SC's career reception record, now held by former H-SC great Ben Newell. His 54 grabs broke the school record for a single season of 45, also held by Newell. Scott caught eight passes in a game three different times last year — against Salem, Bridgewater and Emory and Henry. He and fellow wide receiver Bill Jones shared leading scorer honors with 24 points in '79. Although he does not have great speed, Moorhead makes up for it with good hands, good moves, and the ability to run patterns well. In a clutch situation, look for Tiger passers to throw to Scott. In the spring, Scott plays left field for the H-SC baseball squad.



JAY THOMPSON

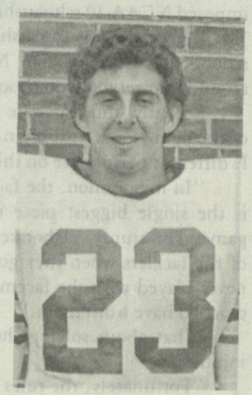
BOBBY SNIDOW — Offensive Guard
6'1", 210, Lynchburg, Va.
Bobby is a very punishing and effective blocker from the strong guard position, as most linebackers and defensive linemen in the ODAC will attest to. With good size and strength, he handles all of the responsibilities of his position well. Snidow came to H-SC as a defensive tackle, but was switched to offense midway through his sophomore year. Blocks for the run with great consistency, and his pass protection gets better all the time. Along with Bruce Coleman and Paul Emerick, Bobby gives the Tigers needed experience and maturity on the offensive line.

JAY THOMPSON — Defensive Back
6'0", 180, Mechanicsville, Va.
Two years ago, a broken jaw suffered during fall double sessions appeared to put Jay's gridiron career in serious jeopardy. Now, he is back and appears to have regained the aggressive style of play that made him a standout special teams performer for the Tigers during the 1977 season. As a safety, look for Thompson to make himself known with good speed and solid tackling ability. Jay's return will undeniably help to solidify the H-SC secondary, where two starters have to be replaced. In the spring, Thompson is a starting pitcher for the Tiger baseball team.



BOBBY SNIDOW

BILL JONES — Split End
5'9", 155, Hinckley, Ohio
A gifted wide receiver with excellent speed, Bill was a pleasant surprise and welcome addition to the Tiger offense last season. Jones led the team in four different categories last year, which shows that he is a potential scoring threat every time he touches the football. Against Bridgewater, Bill hauled in 4 passes for 133 yards and three touchdown, including a 63-yarder which was H-SC's longest play from scrimmage during 1979. He also broke the school's record for the longest kickoff return with a 92-yard TD effort against Macon. Along with Bucky Shope and Scott Moorhead, Jones is a member of the ODAC's best group of receivers.



BILL JONES

Tiger Talk

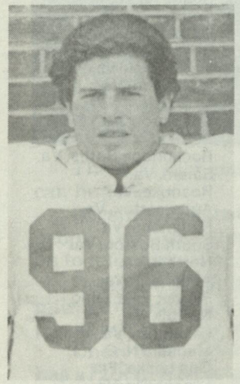
When freshman tailback Tim Jones gained 106 yards against Sewanee last week, it marked the first time in nine games that a Tiger back had rushed for 100 or more yards. The last 100-yard rusher for the Tigers was senior tailback Phil Key, who gained 108 yards on 38 carries in a 9-7 loss to Sewanee in the second game of 1979.

Today's game against Salisbury State is the second in the series between the two schools. In the inaugural contest between the Gulls and the Tigers last October 5, Salisbury State emerged with a 14-7 victory.

This week's "Unsung Hero" Award goes to fullback Ted Cunningham, for his strong performance in the Tiger victory over Sewanee. While most of the Tiger regulars were given frequent rests from the 90 degree heat, Cunningham was forced to go all the way at fullback after his back-up, D. A. Worrell, injured his shoulder in the first half. While Ted's stats for the game were not unusually high, his true value to the Tiger running attack can be measured by looking at the yardage totals for the H-SC tailbacks. With strong lead blocking by Cunningham out of the I-formation, Hampden-Sydney tailbacks ran for 207 yards on 46 carries — an average of 4.5 yards per run.

Another inspiring blocking performance was turned in against Sewanee by H-SC center and co-captain Paul Emerick. Working against noseguard Steve Blount, heralded as the strongest player on the Purple Tiger squad, Emerick neutralized the Sewanee defensive star. For the afternoon, Blount was in on just five tackles — three solos and two assists.

Other ODAC games today include: Emory and Henry at Washington and Lee; Randolph-Macon at St. Francis; St. Paul's at Bridgewater; Maryville at Carson-Newman.



JEFF DALY

JEFF DALY — Linebacker
5'10", 210, Richmond, Va.
A tough tackler who plays the run very well, Jeff is a big part of a fine group of linebackers. His best performance of the '79 season came against Washington and Lee when he led the team with 14 tackels (9 solos) and a quarterback sack. Daly recorded his only interception of the year in H-SC's 28-7 win over Bridgewater. Off the field, Jeff is an Economics major and president of Kappa Sigma fraternity.

BUCKY SHOPE — Wingback
5'11", 180, Mechanicsville, Va.
Bucky is an integral part of the Tiger offense as a result of his football sense and blocking ability. From his wingback position, he was second on the team with 12 receptions in 1979. Since he is very surehanded, Shope is effective in clutch situations. He's always dangerous because of his uncanny talent of finding the soft spots in the opposing secondary. Bucky takes to the diamond in the spring as an outfielder and designated hitter for the Hampden-Sydney baseball team.

1980 Malibu Classic Sedan

The next time you buy a new car, buy wisely.

Because if you're like most people, you'll probably be holding on to it for quite a while.

Don't just go for high EPA mileage ratings. Get a car that'll please you in *many* ways.

Chevy Malibu, for example, has a 20 EPA estimated MPG and a highway estimate of 26.*

Yet in spite of those substantial numbers, Malibu has room for up to six people. It is truly a family-size car with a family-size trunk.

We think you'll find Malibu a delight to look at and drive. Not just now, but years from now.

Chevy Malibu, for 1980.

It's the kind of a car a whole lot of people want and need today.

See your Chevy dealer about buying or leasing your new Malibu soon.

**Remember: Compare* the "estimated MPG" to that of other cars. You may get different mileage, depending on how fast you drive, weather conditions, and trip length. Actual highway mileage will probably be less than the highway estimate. Estimates lower in California. Malibu is equipped with GM-built engines produced by various divisions. See your dealer for details.

Chevy Malibu Chevrolet

LYNCHBURG COCA-COLA BOTTLING CO., Lynchburg, Va.

In simple terms, why every Honda has front-wheel drive.

Have you noticed how more and more car manufacturers are switching to front-wheel drive these days?

We're not surprised. We knew the advantages of front-wheel drive a long, long time ago.

In fact, only Honda has sold all its cars in the U.S. with front-wheel drive and a transverse-mounted engine. (Not to mention having sold more than anyone else too.)

So just what *are* the advantages?

For a start, we've designed a car that's smaller on the outside but with more than enough room inside for both driver and passengers.

This is partly due to the fact that there's no driveshaft running through the passenger compartment. So your passengers have more foot and legroom.

Eliminating the driveshaft also reduces another problem. Because the driveshaft can be a source of noise and vibration. But the advantages of front-wheel drive don't stop at improved space utilization and comfort.

Front-wheel drive puts more of the weight on the front driving wheels. That means better traction.

And since driving power is applied in the direction the car is being steered, it helps you through the turns.

We could go on.

But the only way to really appreciate our front-wheel drive is to test-drive a Honda yourself.

The Civic. The car that was named Motor Trend magazine's Import Car of the Year.

The Accord. Our luxury car.

And the Prelude. Our idea of a sports car.

They all have front-wheel drive.

So if that's what you're looking for in a car, it's worth remembering that Honda is out in front all the way.

HONDA

We make it simple.

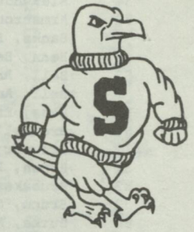
Salisbury State — A Closer Look



ABOUT THE SCHOOL

Salisbury State College is an academic institution which experienced tremendous growth in the 1970's. Prior to 1970, the school was a small teacher's college with less than 500 students. Now, Salisbury State is a liberal arts college with an enrollment of 2900. An indication of the recent growth of the growth at SSC is the fact that over one-half of the school's alumni have come from the graduating classes of the 70's. In 1972, the school fielded its first football team and has yet to have a losing season in its eight years of existence.

ABOUT 1980 FOOTBALL

With a 2-0 record to date, the Gulls will be a formidable opponent for Hampden-Sydney in Death Valley today. In their opening game, SSC defeated Delaware State by a 27-18 score, and last week topped Glassboro State by a 10-0 count.

Offensively, Salisbury State likes to throw the ball, largely due to senior split end Chuck Hebron. Last fall, Hebron hauled in 26 passes and averaged 21.6 per catch. He is complimented well by speedy flanker Jimmy Jones.

Linebacker Mike Pugh heads a rugged Sea Gull defense. He is joined by other high quality defensive personnel such as linebacker Mark Lagowski, defensive end Tim Fox, nose guard Bill Cafiero, and safety Fred Bess.

Second year Coach Bill Yeagle is hopeful that a bountiful recruiting campaign will reap dividends this fall, and has a strong nucleus returning from last year's 6-3 team with 28 lettermen returning.

FACTS AND FIGURES

Head Coach — Bill Yeagle, Tampa '63
Record at Salisbury State (Years) — 1 Year, 6-3
1979 Record — 6-3
Conference — Independent
Lettermen Lost/Returning — 15/28
Offensive Formation — Pro Set
Defensive Alignment — 5-2

KEY PERSONNEL FOR THE GULLS

15 CHUCK HEBRON SE, 5-10, 158 Senior

Chuck set three individual and two career receiving records for the Gulls last season when he caught 26 passes for 554 yards and 7 TD's. Last week against Glassboro, he had 4 receptions for 63 yards and scored the only SSC touchdown of the game.

25 JIMMY JONES FL, 5-10, 167, Soph

A speedy receiver from the flanker position, Jones adds to the strength of the Salisbury State passing game. He caught seven passes in the Gulls' season opening 27-18 win over Delaware State.

37 MIKE PUGH, LB, 5-11, 210, Senior

Pugh is a hard-nosed tackler who paced the Gulls with 164 tackles in 1979. In last week's game against Glassboro State, he led his team to a shutout performance with an outstanding, 21 tackle effort.

58 MIKE BURKE, LB, 6-3, 210, Jr.

Mike is a solid linebacker who plays the pass well, with two interceptions to his credit. Because he plays the run well, Burke is a valuable part of the SSC Defense.

Players of the Week

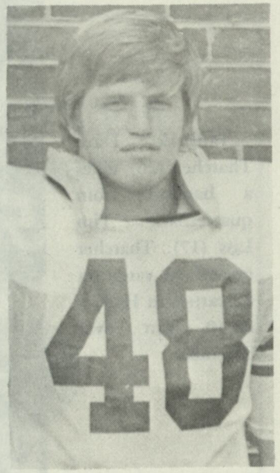
DEFENSE

#48
KEITH LEACH
5-10, 180
Senior
Glasgow
Virginia



Freshman tailback Tim Jones has been named H-SC "Offensive Player of the Week" for his fine running performance in the Tigers' 20-10 win over the University of the South.

Jones carried the ball 17 times for 106 yards and all three Hampden-Sydney touchdowns in his first varsity performance. Tim spearheaded a Tiger running attack which produced 242 yards and 15 first downs on the ground.

Senior linebacker Keith Leach has been awarded H-SC "Defensive Player of the Week" honors for his outstanding play against the University of the South.

Leach recorded 10 tackles on the day (six solos) and intercepted a pass which set up Hampden-Sydney's final touchdown of the game. In the third quarter, Leach had a particularly strong sequence of play, when he participated in four consecutive tackles.

MEETING OF THE MINDS — Tiger Coaches Fulton and Glennon confer with left to right, Benny Knight (16), Roger Glover (11) and Tim Lass (17).

Tailback Dave Thatcher (26) takes a handoff from quarterback Tim Lass (17). Thatcher gained 88 yards on 22 carries in H-SC's 20-10 win over Sewanee.

TIM JONES —106 yards rushing in his first collegiate game.

JIM REILLY DR. GIL SIMMS

Tiger Athletic Trainers

JIM REILLY **Athletic Trainer**

A native of the Bronx, New York and a graduate of Cortland State University, Jim is the new inhabitant of the head trainer's post at Hampden-Sydney.

Prior to coming to H-SC, Reilly served as a Lacrosse trainer at the University of North Carolina, while completing a masters degree of arts and teaching with emphasis in sports medicine.

DR. GIL SIMMS **Athletic Trainer**

Now entering his seventh year as a trainer at Hampden-Sydney, Gil is a fixture in Tiger Athletic Programs. "Doc" Simms, a 1930 graduate of H-SC, returned to his Alma Mater in 1973 after retiring from his dental practice in his hometown of Charleston, West Virginia. He practiced dentistry for 40 years after graduating from Louisville Dental School.

OUR SIGNS OF LIFE ARE DISAPPEARING

Here's how you can help. Each year in Virginia, more than 40,000 traffic signs are vandalized or stolen. Cost to taxpayers is almost $1 million. But worse than that, missing signs create a dangerous safety hazard. We know of crashes where people have been injured, even killed, because of a missing stop sign. So, how can you help?

1. Report any missing or damaged signs immediately to your local police or State Police.
2. Return any signs you find to your local Highway Department office.

Sign vandalism can be a matter of life or death. **Sign up for a safer Virginia.** Report sign vandalism wherever you see it.

About Hampden-Sydney College

Hampden-Sydney College, a liberal-arts college for men enrolling about 750 students, has been in continuous operation since January, 1776. Ever since the opening session, the college has been committed to a particular form of a liberal arts education. The faculty endeavors to make as the end of this education an effective commencement into business, the professions, or post-graduate schools. The college is not a miniature university, and it cannot be all things to all who would enter; but if this is a limitation, it is also an asset, for the full resources of the college can be dedicated to the one kind of education.

Its aim is to give to selected young men of ability a broad understanding of the world and man's place in it from the standpoint of the sciences and the humanities; to develop clear thinking through linguistic, scientific, and historical studies; to impart a comprehension of man's social institutions as a basis for the exercise of intelligent citizenship in a democracy; to unite sound scholarship with the principles and practice of the Christian religion; and to equip those with special interests and capacities for graduate study and research.

Hampden-Sydney is likewise proud of its intercollegiate athletic program. It is affiliated with the NCAA and competes in the formidable Old Dominion Athletic Conference. The Tigers' Field Varsity Teams in: Football, Soccer, Cross Country, Wrestling, Basketball, Lacrosse, Golf, Tennis, and Baseball. The school also sponsors club teams in Rugby and Waterpolo.

Simulated TV picture.

PROVEN: 25% SHARPER COLOR PICTURE THAN EVER BEFORE POSSIBLE.

MORE LINES OF RESOLUTION MAKE THE DIFFERENCE.

Lines of resolution determine how sharp your color TV picture will be. The more lines, the sharper the picture. And Magnavox has more lines than ever before possible.

Ordinary color TV pictures have 260 lines. Magnavox Computer Color 330 delivers 330 lines. That's 25% more lines of resolution for Magnavox.

That means Magnavox has a 25% sharper, crisper, clearer color picture.

For documentation of this fact, please write: Magnavox, Dept. 700, Fort Wayne, IN. 46804.

NEW MAGNAVOX TOUCH-TUNE™ TELEVISION ALSO GIVES YOU:

☐ Computer Touch-Tuning...for ease and exactness. ☐ Computer Designed Chassis...for reliability and performance. ☐ Improved Sound... for greater realism.

And Magnavox is cable-ready for 20 cable channels without a converter...to save you time and money.

SSC Rings 'Sydney's 'Bell'

Sports of The Times

By RICK CULLEN,
Times Sports Editor

HAMPDEN SYDNEY, Va. — Hampden Sydney College had its "Bell" rung.

Salisbury State College, off to its best start (3-0) in its brief football history, saw junior quarterback Tony Bell complete seven of 10 passes for 203 yards and three touchdowns as the Sea Gulls stopped host Hampden Sydney 28-13 here Saturday before a regional televised audience.

Lightning struck twice in the second quarter and the coup de gras came in the early stages of the third period on long Bell strikes to three different receivers.

For his heroics the SSC junior was named the Chevrolet offensive player of the game. It mark the first time the Sea Gulls were on television.

While Bell's passing was indeed noteworthy, it was interesting that the 5-10, 170 pound signal-caller was the game total offensive leader with just over 300 yards.

Bell hit speedster Chuck Hebron with a perfectly thrown toss for an 80 pass and run play, moments later connected with Jimmy Jones on a 22 yard scoring toss and early in the third stanza hooked up with tight end Willie Smith on a 41 yarder which proved to be the clincher.

Salisbury State's "big play" offense was the real key along with a stingy defense led by defender Tom Dashiell and middle linebacker Mike Pugh.

Dashiell picked off a pair of Tim Lass first quarter passes, one at the SSC one yard line, the other in the end zone. Each time the Tigers were breathing down the Sea Gulls' neck.

The hosts had many first quarter opportunities but couldn't cash in. The first big break came after Hamden Sydney recovered a Preston Lewis fumble at the SSC 41. The Tigers drove to the SSC 13 and tailback Tim Jones was called upon to toss a halfback pass. Dashiell stepped in the path of the receiver at the SSC one for the swipe.

SSC drove out of their own territory, but Bell was intercepted at the SSC 41. The Tigers came back down, but Dashiell intercepted a Lass pass in the end zone for the cornerback's second of the day.

Early in the second quarter Hampden Sydney drove 41 yards in 10 plays with Jones going in from the five as the Tigers took a 7-0 lead.

But Bell had not even warmed up. On the second play from scrimmage after the Tiger score, Bell hit Hebron between two defenders down the right sideline and the SSC speedy wide receiver outraced the secondary for Salisbury's first tally.

On SSC's first possession after another interception, Bob Brosmer pitched to Bell, subbing as a halfback, and Bell hit Jones on the option pass for 22 yards and a score to give the Sea Gulls the lead they would not relinquish.

The clincher came in the third period with Bell finding Smith for the score and the insurance TD came in the final period when defensive tackle Paul Armstrong picked off a Roger Glover screen pass and dashed 19 yards for Salisbury's final score with 5:08 left in the contest.

Hampden Sydney wasn't through, however. A patchwork drive took the Tigers deep into Sea Gull territory with the clock running out. With just 13 secords remaining Glover found halfback Dave Thatcher alone over the middle with a 23 yard scoring pass as Thatcher weaved and darted his way through the Gull secondary.

The victory was Salisbury State's third of the season without a loss. It marks the best start since the football program's inception in 1972 with a jayvee program.
